

Indian Paper Industry-Suppliers Guide

The third edition of **PAPER MART's SUPPLIERS GUIDE** for the Indian pulp and paper industry has proved to be an invaluable source of information that paper manufacturers normally need while carrying on their business. The detailed information it has about the vendors across the country helps paper companies in locating the vendor they want to contact. This guide has, therefore, been of immense value to paper business. We are pleased to announce that the **fourth edition** of this guide is in the making and that the guide will be sent **FREE** of cost to 5,000-plus paper-industry professionals. If you want your company to be listed on this guide for **FREE**, please complete the form given below. You can also download the form at <http://papermart.in/supplierform> in Word or PDF format. Complete the form and mail it to us at info@papermart.in as soon as possible.
